

FA ALBIN & SONS

Coffin Collection

Our range consists of the very highest quality coffins and caskets, produced by a team of highly skilled craftsmen and women. The range is hand built and made from both solid and veneered woods. As well as the traditionally styled coffins we have more modern, contemporary styled coffins including printed coffins using state of the art techniques to create a wonderful, visually stunning and memorable effect.

We also have a range of ecological, environmentally friendly coffins made from materials including Wicker, Bamboo, Bulrush and Seagrass.

Environmentally Friendly

Life Art is a world-leading, innovative team developing funeral products including coffins and caskets. Life Art's coffins and caskets are safer for the environment as they emit up to 87% less greenhouse gases when cremated and use up to 80% fewer trees.

Select from a range of Heritage Timber coffins and caskets secure in the knowledge that you are respecting your loved one and the planet.

Web-to-print technology allows families to design and create a unique canvas to capture the personality and nature of a loved one or choose a preformatted design from our catalogue.
